

Consular Fellows Program Intern Extraordinaire

Project Title	Consular Fellows Program Intern Extraordinaire
Project Summary	Foreign Service Consular Fellows serve in U.S. embassies and consulates overseas. Using their language skills in Spanish, Portuguese, Mandarin Chinese, or Arabic, their primary duty is to adjudicate visas for foreign nationals.
Country	United States

Project Description

You, our intern extraordinaire, will support the HR Policy Coordination office in streamlining operations for this growing program! The sky is the limit in what you'll be working on, to include conducting independent research, data analysis, supporting stakeholder communications, and ensuring consistent program development. Familiarity with the Consular Fellows program is preferred, but we will also be looking for a strong data analysis/visualization guru to tell our story.
